# Confusion, excitement, and wonder—the first day

In second hour assemblies, seating proves to be a little confusing to newcomers as well as oldsters.

## *All Knights attended party*

"But Benny sent me!" pleaded the stranger. "Sorry, Knights only," a Council member retorted. The intruder had been trying to crash Prospect's traditional All-Knight Party. One hundred and fifty Knights began a courtly social year at the September 10th opening mixer. While some Knights conspired in monopoly others battled in volleyball or played basketball instead of dancing.

*Assemblies and rallies  
showed the Knights'  
spirit and participation*

District 214's Heavens to Betsy received national television and newspaper coverage as well as the heartfelt thanks of New Orleans officials.

A warm day brings spirited Knights, backed by the Prospect band, outside for one of their pepiest rallies to open the athletic season.

Skits, speeches, and debates invite the student body to boost school spirit and participation.

## *Preparation, excitement then—Knightlife*

A Knight's life in '65 was kicked off on September 18. New rhythms and beats echoed in the girls' gyms as the "Monterey's" a combo from Northwestern University, entertained the dancers. This annual dance, sponsored by the Juniors, provided an extra boost for their Prom fund

The cafeteria always welcomes tired, hot and thirsty dancers

"Knightlife" moves to keep up with the beat from 8 to 11 P.M.

## *Drill and decoration for Knighttime preparation*

The week of October fourth through the ninth was a hectic one for any student involved in pre-homecoming activities. Building class and club floats and putting final touches on marching routines and game strategies required after-hours attention as the Knights raced to complete preparations on time. Starting a new tradition, Knights painted Mt. Prospect store windows in a "Paint the Town" campaign.

Hopes for a victorious homecoming game are exemplified by Biology Club's interpretation of Knight's desires to leap over the Wheeling Wildcats.

An interim between rousing marches prevails as the marching band makes its way through Mt. Prospect on the Homecoming parade route.

Courage, honor, loyalty, service, the code of the Knights, were upheld during the traditional Knighttimes weekend culminated by a royal ball. Among arches of navy and blue, Knights swirled to the music of Bob Bullard and his orchestra. Highlighting this regal affair, presented by Varsity Club, was the Queen's Dance led by Queen Kathy and her Knightly court

## *Successful production revealed hidden talent*

Intrigue, romance, humor, and above all talent blended together to make the '65 variety show, "The Alter Id of H.S. Kidd," a hit. This engaging tale of a student who constantly lapsed into a dream world was brought to life by seniors, Bill Nendel as Marvy Louse, Jim Grady as Walter Kidd, Pam Budris portraying Isa Berger, and junior, Sue Courtney playing Trudy Blue

## *College preparation*

Early on a Saturday morning, sleepy-headed juniors and seniors stumbled out of bed to undergo several grueling hours of college entrance or scholarship exams. Offered five times a year, the SAT and ACT tests assessed one's ability to do college work. The ACT tests were required primarily for entrance into state supported schools, whereas SAT tests were necessary for acceptance into most public and private colleges. National Merit Scholarship Qualifying Tests, sponsored by the Ford Foundation, were given in the spring to give financial aid to eligible, talented students.

## "Thrice We Enter"

The first presentation of an original play, *The Perch*, written by senior, Jim Grady, was given on February 3 and 5 in the Little Theatre. Completing the evening's entertainment entitled "Thrice We Enter," were two other enthralling one act plays, *Marriage Proposal* and *Lord Halewyn*.

When *Neddy* is over, it is *Thrice We Enter* which is the last of the evening's entertainment.

## *“Something Old, Something New”*

As a final tribute to the departing Class of '66, the juniors presented the spring prom. From the time the couples arrived at Flick-Reedy, they were whirled into the atmosphere of tradition that surrounds Prospect's proms. Couples danced to the music of Bob Over and his Orchestra.

## *Knights pondered the serious side of life*

High school students said a day passed by in hanging and relaxing with the child and was as much as an adult.

Not a day passed in the story and how much of the lives are the unexpected food of the day.

Starting the story with the main events to be a warning to the world of the future.

*Students add life to a normally quiet campus*

The senior honors English class deals in depth with the works of American literature through extensive reading and discussion.

## *Similes, speech, symbolism, and Shakespeare*

Innovation was a key to the success of Prospect's English Department. Under the direction of Mr. Fyfe, the department introduced Cre-X, a creative writing class for seniors, and special SRA study on composition for freshmen. Through the Fine Arts Division, the department aimed at an increased awareness of the influences of art and music on literature. Highlighting the year for the senior honors level class was a chance to see film productions of "Becket" and "Othello."

Pantomime is only one of many interesting facets of the required senior research class.

Sophomore English students supplement their study of poetry with readings held in the class.

Physics experiments simulate light wave refraction in a ripple tank

Students conduct a study of human anatomy; seniors dissect a fetal pig and apply their knowledge comparatively to man

An experiment in catalytic action and the generation of pure oxygen foster curiosity in sophomore physical science students

Photosynthesis, allotropy, and centripetal force were some of the many concepts discussed in Prospect's science courses. Under the direction of Mr. Kemman, the Science Department offered a program designed to provide the college-bound student with an excellent well-rounded scientific background. Thought-provoking laboratory work, classroom lectures, and supplementary reference materials increased student awareness of the fascination and complexity of modern science

Although Miss Volz is retiring after thirty-six years service, she still enjoys teaching Roman culture to Latin students.

Attentiveness is a necessary quality in grasping the fundamentals of any language.

"Necessity is the mother of invention." Such was the byword of Prospect's Language Department. For the first time in the Knight's history, foreign language laboratory facilities met the growing needs of student linguists. Earphones and individual control devices, centrally operated by the instructor, were suspended from the ceiling, and the resulting simplicity encouraged oral participation. Miss Donna Marie Volz, retiring chairman of the department, left behind lasting contributions to patrons of her field.

Students strive to improve diction and their understanding of languages with the use of Prospect's new language lab headsets.

History students can easily visualize how the course of a nation is affected by its geography.

As social and economic problems increase, so does the need for an awareness and interest in current events and universal situations by all students today. World geography, sociology, and current history offered insight into the problems of man in relation to his environment. The opportunity to gain knowledge from the past to use in the future was presented in depth in world history and American history by the Social Science Department, headed by Miss Volz.

Prospect's modern classroom facilities aid students in locating sites of major world events

Training demanded by a world of increasingly complex business machines and procedures was provided by Prospect's Business Education Department. Under the chairmanship of Mrs Hutchens, the department enriched its curriculum with a shorthand lab, a television hookup for typing, and an extensive assortment of business machines. These and the efforts of the department's seven teachers provided this year's 682 business education students with skills invaluable in today's business world.

To the twelve teachers of the Math Department went the job of instructing Prospect's 1,496 math students. Department chairman, Mr. Yount conducted "Phase-In" phases of the math curriculum. New methods were introduced into all classes for students-on-the-go. Climaxing the year of 75 students was their participation in a nationwide test sponsored by the Mathematics Association of America, honoring students of outstanding ability. Senior Brett Lamberty scored second in the nation on the test.

## *Fine arts aided in developing culture*

Several exceptionally talented artists presented unique, one-man display cases exemplifying their abilities in various media. To supply the beginning student with fundamental knowledge and broaden the creative world of the advanced student was the continued goal of Prospect art teachers, Mr. Knudsen and Mr. Weiss.

Advanced art students have a workshop where they could specialize in their particular interest

Individual talent added up to one great sound in Prospect's music rooms. Popular music made practice easier and chorus more enjoyable

Seasonal concerts, holiday assemblies, and a district festival displayed the vocal and instrumental skills students cultivated in Prospect's Music Department. Mr. Mische, Choral director, and Mr. Sandlund, band director, were aided by Mr. Blackley in developing the musicianship of Prospect's five choruses and five bands.

Even if some band members did not always appreciate their own music; the rest of Prospect's students did

In procedures such as testing voltage, mechanical precision and human accuracy are of the utmost importance

With \$10,000 worth of equipment and an excellent staff, Mr. Laymon, as head of the Industrial Arts Department, was proud that Prospect could offer its students excellent preparation for any vocation. In the highly emphasized technical program the fundamentals of such skilled trades as drafting, mechanics and electronics could be mastered. The industrial program, on the other hand, helped students explore fundamental wood-working and metal skills in group as well as individual study.

Installing the bench power supply gave electronics students a practical knowledge of electricity

Consumer product analysis aids the future homemaker by teaching her to get the best value and quantity for her money

Learning about the home and the people in it are important parts of every girl's education. The Home Economics Department provided such opportunities and others in the field of fashion. Mrs. Breiding and Mrs. Lorenz planned to utilize modern teaching techniques, such as closed circuit television, in instructing the girls in everything from child care to home management. The girls practiced their skills by making and serving complete meals, putting on teas, and planning room decor.

Although physical fitness is the anticipated result, unfitness is often the prevalent consequence.

An expansion and renovation of the Physical Education Department was carried out under the supervision of newly appointed division head, Mr. Gattas. Enlarging the already extensive physical education curriculum, the department added bowling and golf. The introduction of letter grades instead of the traditional "H" or "F" permitted the student to better evaluate his classroom standing.

Aiding Knights in carrying the banner of knowledge was the aim of the library department. Miss Bartman and Mrs. Sigborn directed activities towards promoting interest in the humanities and the individual. Adding 500 new volumes to the existing stacks, the library strove to aid slower readers. Library clerks, Mrs. Platell and Mrs. Sbarbaro, assisted college bound students in finding college information in the recently started college counseling corner.

## *Services extend from guidance to first aid*

Student aides learn helpful health tips while working as guides in the Health Service

"The primary purpose of Pupil Personnel Services was to facilitate the maximum development of each individual student." To protect student health, Mrs. Palmberg gave aid to the sick and injured. Dedicated to helping students with emotional or psychological problems was Mr. D'Agata the social counselor. Mr. Breiding and Mrs. Harbeck served as a source of help to those students with speech impediments, by extending individual and group aid. Mr. Gillon proctored study hall 106 and aided other departments.

Students who volunteer to work as office guides during their study hall check student passes in and out

1,903 college catalogues and guidance aid college-bound Knights

This year Prospect's nine counselors held nearly 15,000 interviews with students, parents, and staff in order to solve a proportional number of problems. Under the direction of Mr. Feiereisel, counselors offered guidance in educational, vocational, and college fields. The counselors also directed testing programs and provided invaluable social counseling.

record of 1—4—4. Assisting the gridders in their

greatest highlights was the naming of senior  
guard Dan Agard as one of fifteen high school

Ending the season with a 34—0 victory over  
Conant, the junior varsity football team finished  
fourth in the Mid—Suburban League with a con-

Skill and dexterity remained of paramount importance throughout the 1965 sophomore football season. Under the experienced coaching of Mr. Mudge and Mr. Gaines, the second-year gridgers spent many after school hours working out game techniques and strategy. With a victory over the Wheeling Wildcats, the squad posted a 1—7 record. In spite of their losses, the sophomore Knights were energetic and full of spirit.

Through the many devoted hours of hard practice, this year's freshman football teams prepared for tough conference competition. Coached by Mr. Benoché and Mr. Barrett, the Freshman A team closed the season with a 3—5 record. The Freshman B team, coached by Mr. Shirmang and Mr. Farns, compiled a record of 5—1. All sixty boys exhibited fighting spirit and showed promising indications of success for future years.

Prospect's varsity cross country team put in many miles and long hours during after school practices and some pre-dawn sessions. Encouraged by their enthusiastic coach, Mr. Carlisch, and sparked by Dick Braunschweig, Dennis Breen, and Jack Pollard, the varsity harriers placed sixth in both the conference and the district meet. The two-milers compiled a 2-7 over all record. In preparing for their meets, the boys ran six to ten miles a day

Coach Wanner and the frosh-soph cross country squad trounced all opposition and took the crucial meet against Palatine 27-28 for the conference championship. The team won the conference meet and posted records of 5-0 for the conference and 10-0 overall. One of the outstanding young harriers was Steve Holmes. The boys ran six to ten miles a day to condition for the 1.9 mile course and also worked out at early morning practices.

**FROSHSOPH CROSS COUNTRY ROW ONE:** Steve Holmes, Joe Mohlman, Bob Bartley, Bruce Oswald, Owen MacBride. **ROW TWO:** John Ciffone, Bill Benoché, Dan Jackson, David Baker, John Musial. **ROW THREE:** Dave Bach, Dick Polsen, Don Valentine, Jeff Brauchel, Ken Shuberh, Mr. Wanner. **ROW FOUR:** Bob Schaus, Gary Klinger, Rob Barthhuber, Dan Faith, Mike Moran, Bill Skibbe

Tom Beard, Tom Lundstedt, Ray Kleinhuizen, Scott Mackenzie, Coach Kinneman, Missing, Dave Kingman

After a first place win in the Pontiac Holiday Tournament, the Knight's varsity cagers ranked tenth in state basketball standings. Junior Tom Lundstedt made an outstanding exhibition of his skill during the tourney by scoring 113 points in four games. Mr. Kinneman's starting line-up, Dan Agard, Tom Beard, Tony Kulasa, Tom Lundstedt, and J. D. Thorne, specialized in an aggressive man-to-man defense and a pick and roll offense.

The junior varsity basketball squad led a concerted drive for the conference championship this season. Under the watchful guidance of Coach Arseneau, the team was in great shape and pulled many critical games from fire. The "Jayvees" were greatly enriched by sophomores Mike Anderson, a starter, and Butch Leonard and Forrest Hanev, both substitutes, but the squad thrived on team effort rather than individual stars.

**JUNIOR VARSITY BASKETBALL. FRONT ROW:** Maury (32), Tom Walter, Don Whitlock, John Phillips, Jerry Neuhert, Dan Carda. **ROW TWO:** Coach Arseneau, Clyde Whitcomb.

Mike Anderson, Jeff Bates, Gary Woodward, Tom Grafton, Skip Soltwisch, Butch Leonard, Don Reed, Bruce Burkhardt, Chuck Hanson

turi, Tom Kochler, Steve Holmes, Jack Behrens, Al Glover. **ROW THREE:** Mr. Szymanski, Ed Haskell, Steve Schauban, George Timson, John Green, Marv Hope, Ken Nehmzow, Joe Martin

Returning from extremely successful freshman competition, Prospect's sophomore cagers worked to repeat last year's greatness. There was no individuality—only skilled teamwork. Under the guidance and coaching of Mr. Szymanski, the team compiled a 1—8 record. Though the team lost Forrest Haney and Marvin Hope to the JV squad, the sophomores went on to more victories. The boys anticipate a more successful '66-'67 season.

What the freshman A and B cagers lacked in height, they made up for in enthusiasm. Fundamental skills, including fast-breaking and man-to-man defensive maneuvers, were practiced by the earnest young Knights. Coached by Mr. Benoche, the A team compiled a 6—8 record. Mr. Chapman's B squad posted an 8—3 record. The future success of the team depends greatly on the experience gained this year.

Though the swimming team, piloted by coaches Barrett and Sandine, worked with determined participation and practice to improve last year's mark, the team met with tough competition. Tom Braakman, Mike Busse, Bob Krysiak, and John Norton, members of the medley relay team, set records. The team's early morning practices were held at the Y.M.C.A. Senior John Norton finished tenth in state butterfly competition.

Freshman and sophomore tankers found themselves swimming sprints and distances and ironing out starts, turns, and stroke techniques during their 7 a.m. practices at the Des Plaines "Y". Under coaches Barrett and Sandine and the capable swimming of Essick, Betts, and Flynn, the squad overcame conference rival Forest View in the last relay. These young swimmers tied with Maine West for ninth in the conference.

**FRESHMAN—SOPHOMORE SWIMMING. FRONT ROW** Mark Otto, Dan Ray, Gordon Linhart, Mike Krysiak, Greg Bates, Jim Flynn. **ROW TWO:** Ray Krause, Herb Betts, Drew Smith, Stu Morgan, Steve Krueger, Tom Vikander, Bob Ihlenfeldt.

Carr, Bruce Cole, Tom Marshall, Jeff Long, John Hardt. **ROW THREE:** Coach Farris, Dale Meyers, Jim Anderson, Bill Nendel, Neil Wells, Mark Sauter, Ken Vomacka

Coach Farris piloted the varsity gymnastics team toward a conference championship. Such outstanding members as trampolinists Rick Carr and Bill Nendel, sidehorse man Bruce Cole, parallel bars performer Stu Bedford, and tumbler Bob Goffinski bolstered the squad's endeavors. Bruce Cole and Rick Carr ended their senior year by placing 2nd and 3rd respectively in the 1966 State Gymnastic Meet.

Though inexperienced, the frosh-soph gymnasts, through hard work and coaching by Mr. Gaines, worked for ease and continuity in their routines. The team of first and second year gymnastics enthusiasts compiled a 7-10-1 record. Bruce Boulton and Ken Carr showed outstanding ability and saw some varsity action. Other standouts on the eighteen man squad were sophomores Steve Bang, Nick Peneff, John Ehrhardt, and Bill Van Sky.

DeLong. **ROW TWO:** Mr. Mudge, Vince Curry, Marty Krause, John Jantac, Marty DeStefanis, Dave Chapman, Kim Schier, Gary Cobe, Pete Smith.

Coached by Mr. Mudge, Prospect's varsity grapplers shared the conference championship with Maine West. Despite having only three returning lettermen, the squad made an excellent showing with a conference record of 5—1. Co-captains were Rick Bertoglio with a record of 18—2 and Jim Herod 11—9. The varsity matmen took first place in the holiday tourney; McMorrow, Holmes, Kalvog, and Bertoglio placed in districts.

A team determination to pin opponents to the mat was the goal of this year's junior varsity wrestling team. Responsible for much of the team's success was the knowledgeable coaching of Mr. Porter and team standouts, Rich Basch with four pins in a row and Joe Koza, undefeated in six meets. The JV grapplers ranked second in the Mid-Suburban League Conference and finished the season with an 8—3 record.

**JUNIOR VARSITY WRESTLING. FRONT ROW:** Neal Bloomquist, Mike Herod, Rick Basch, Carl Bredehoff, Luke Duce, Larry Swartz, Dick Gewartowski, Forrest Lang, Gary

Jerry Finer, Neal Bloomquist. **ROW THREE** Mike Handwerker, Michael Sander, Ross Rumore, Dan Ducey, Jeff Schneider, Jeff Martens, Bob Link, Luke Dicce, Maurice Deffel, Erick Katten, Coach Ziemek

Prospect's sophomore grapplers, coached by Mr. Ziemek, ended the season with an undefeated conference standing and a 9-1 record in dual meets. The second year wrestlers, headed by team captains Bob Link and Jeff Schneider, won the Prospect Holiday Tournament and the Maine East Tournament. The sophs spent many after school practice hours in sweat suits trying to maintain their weight and perfect the maneuvers

Conditioning, basic maneuvers, and a heavy competitive schedule kept Mr. Shirmang's freshman wrestlers pinned down on the mats. Frosh grapplers Jack Costello, Tony Lazzaroni, Chuck Olson, and Rick Soduski led the team to a 9-3 dual meet record and a second place win in the Deerfield Tournament. With the squad's performance this year both the coach and the team looked forward to an even better '66-'67 season.

**FRESHMAN WRESTLING FRONT ROW.** Jim Perz, Dick Fossler, Jim Munson, Chuck Olson, Bob Marcanti, Bruce Busse, Ed Virtae, Randy Cordova, Rick Thompson, Craig Mundt, Bob Kotowski. **ROW TWO.** Tony Lazzaroni, Rick Soduski, Jack Costello, Chuck Hughson, Kim Fagreluis, Larry Sander, Bob

Strength and endurance were emphasized throughout the winter and spring season by this year's varsity track team. Prospect's trackmen participated in three categories of events: the sprint, the distance run, and field events including high jumping, pole vaulting, broad jumping, discus throwing, and shot putting. Mr. Calisch, the team coach, encouraged the trackmen on to surpass all previous records in every event.

Three returning lettermen, sparked by seniors Dave Lovgren and Doug Lytle, shot the 1966 golf team into action March 21. Before the weather lent itself to actual course play, the boys, coached for the first time by Mr. Nisen, practiced on simulated tees in the fieldhouse. The linksmen then practiced regularly before school at Mt. Prospect Country Club and devoted every effort to improve upon last year's scores.

The 1966 varsity netmen continued in the great spirit of '65 by bringing even more glory from the net to Prospect. Under the expert direction of Mr. Sandine, the seven returning lettermen strove to top the records of past years through diligent practice and resulting improved technique. Prospect entered a new conference this year which included Palatine, Maine West, and Forest View, all of them contenders for the top

Frost-Soph tennis coach Mr. Szymanski led his teams in pre-season conditioning of push-ups, sprinting, and calisthenics to develop strength and perfect match skills. This year's net strategy included bettering the team's previous record of 13—5 in conference standing. Among those teams expected to be most difficult to beat in match play were Arlington, Deerfield, Forest View, and Maine West

March 7 found the ball field populated by Knight sluggers initiating their practice for the 1966 season. Hopes for outstanding performances in pitching by lettermen J. D. Thorne and Dave Kingman spurred the team on to strengthen their strategy in other areas. Coach Aldrich used his six returning varsity lettermen to balance team offense and defense.

An early start in practice was beneficial in developing the batting, pitching, and fielding skills of the freshman and sophomore baseball teams. The players reacquainted themselves with old skills and acquired new ones in March, nearly a month before the first game. Coached by Mr. Hipple and Mr. Chapman, the teams first practiced in the field-house.

Cherished memories and unforgettable experiences are those elements preserved within the pages of a yearbook. To the editors and members of the *Crest* staff, this volume also represented endless hours of toil, sweat, and sometimes tears. Guided by Mrs. Sanderson, the staff spent their sixth and seventh hours writing copy, cropping pictures, composing captions, typing, and filing.

A dictionary, a thesaurus, and a back issue of the *Crest* are consulted constantly in making current layouts and captions, type.

Repeated checking and double-checking, indispensable to yearbook accuracy, take up much of the staff member's time.

## Faculty worked to initiate additional academic interest

Desiring to keep abreast of new educational techniques and developments in their fields, Prospect teachers continued their education after school hours. Evenings, Saturdays, and summer vacations were spent accumulating hours and knowledge towards Masters' Degrees. Six of our math teachers have been studying advanced mathematics under National Foundation grants in California, Arizona, and Illinois. After completing research on pollen tube germination, Mr. Wachlin wrote a thesis on his experiments

for a Specialist in Education degree. This paper was published in a scientific journal. Also doing distinctive work in his chosen field, Mr. Schmidt authored a book, *Our Federal and State Constitution*, released early in 1966. Mr. Vaisvil, during the past summer, headed a committee for gifted and emotionally disturbed children at Michael Reese Hospital. Occupying much of Miss Fowler's time was the Illinois Guidance and Personnel Association of which she is secretary

## *1,200 meals, six acres*

The aroma that drew students to the cafeteria and the spotlessness of the corridor which led them there were the work of Prospect's cooks and custodians. The kitchen staff served nearly 1,200 Knights daily, while the maintenance crew kept six acres of floor area shining

## *Frosh became spirited Knights*

"Where is my locker? I don't understand my lunch schedule!" These and other frustrating questions were the bewildered refrain of many of Prospect's freshmen. Adapting to new experiences and situations seemed an easy task for the Class of '69 as they became the first to have their name engraved on the Cup of Spirit surpassing the other classes in class and school spirit. Sponsoring the frosh, Mrs. Stewart oriented class officers to their duties and helped co-ordinate the turnabout.

## *Sophomores challenged spirit of other classes*

Working under the guidance of Miss Ellerman, the Class of '68 successfully completed their second year at Prospect. As every sophomore must take a day-long battery of Iowa Tests of Educational Development, this year's sophs were no exception. Late in September the Class of '68 spent a day answering the endless questions. December eleventh culminated hours and weeks of preparation as the sophomores presented the winter formal, 'Twas the Knight Before Christmas."

# *Senior class* *worked for recognition*

At the All Night Party Seniors practice phone booth stuffing for next year

There is no other feeling quite like the pride and challenge of being a senior. Boasting six National Merit semi-finalists, the seniors added to their academic prowess. Filling out applications, taking college entrance exams, and writing term papers were only part of the paper work which kept the class of '66 eternally busy. To the seniors, observing old traditions, senior breakfasts, dress-up days, and senior parties made their last year at Prospect uniquely different from the rest. For the Class of 1966, this was a year of leadership, responsibility, and preparation.

Many senior boys take typing lessons to help them in college.

After adding the finishing touches to their flat seniors rush to the parade at home late which means disqualification.

Joel Marston sets the scene for 'A Pocket Full of Dreams' as he says 'Try to Remember' and 'Crazy as the Windy' (arrange).

Seniors start out the year with a big smile which is preserved forever.

The 1966 *Crest* is the result of the work and talents of many people. The myriad details have been checked, countless problems solved, and major crises surmounted by a most capable staff. In planning this *Crest* we have tried to give an accurate, complete record of 1966 as well as a glimpse of the spirit of Prospect High School. Again, thanks to editors, staff, advisor, and Buckwheat for a job well done.
